

Ibrahim (AS)

The Story of Prophet Ibrahim (AS)

KHALILULLAH — THE FRIEND OF ALLAH

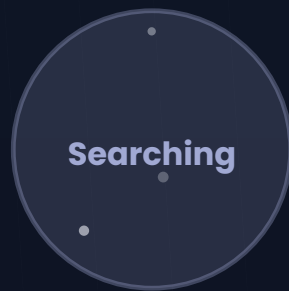

Idols

Ibrahim was born into a land of
idols...

His own father carved and sold them.

Ibrahim looked at the stars and
asked...

"Who is my true Lord?"

Idols Broken

Ibrahim smashed all the idols in
the temple...

He proved they could not speak or help.

The Fire

The king threw Ibrahim into a great
fire...

But Ibrahim had no fear — he trusted Allah.

THE MIRACLE

"Be cool and safe,"
Allah said to the fire.

And the fire did not harm him at all.

Journey

Ibrahim left his homeland for
Allah...

He walked into the unknown with complete faith.

Desert

He left Hajar and baby Ismail in
the desert...

On Allah's command — with full trust.

Allah showed Ibrahim a dream...

"Sacrifice your son Ismail."

Obedience

Ismail said: "Do what you are
commanded..."

Father and son — both ready to obey Allah.

ALLAH'S MERCY

Miracle!

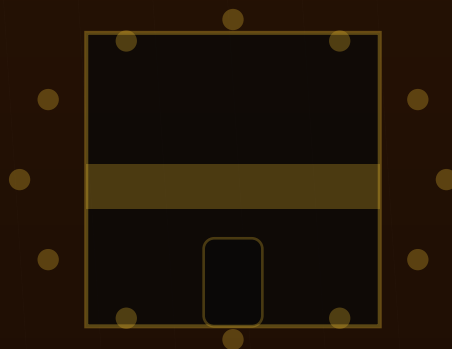

Allah sent a ram from Jannah...

Ibrahim had passed the greatest test of faith!

The Kaaba

Ibrahim and Ismail built the Kaaba...

The House of Allah — still standing today.

Prayer

"Our Lord, accept this from us..."

Ibrahim raised his hands to Allah.

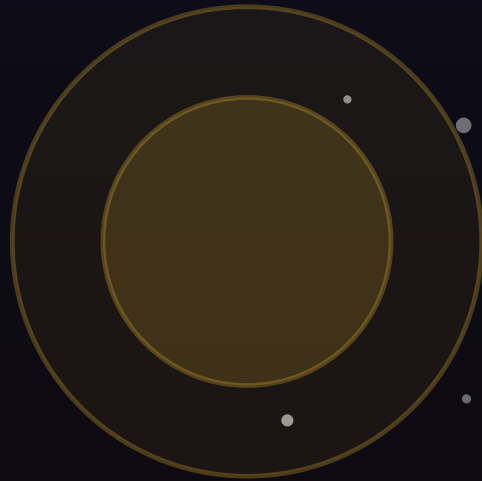

Ibrahim – the Friend of Allah...

His legacy lives in every Muslim's heart.
