

The Story of Prophet Ismail (AS)

TRUST, SACRIFICE & ZAMZAM

Baby Ismail

**Ibrahim and Hajar were blessed
with a son...**

They named him Ismail — a gift from Allah.

The Desert

Ibrahim left them in a dry, empty
desert...

No water. No food. Just faith in Allah.

Hajar

Hajar asked: "Did Allah command
this?"...

"Then He will not abandon us," she said.

Safa & Marwa

Hajar ran 7 times between the two
hills...

Searching for water for her baby son.

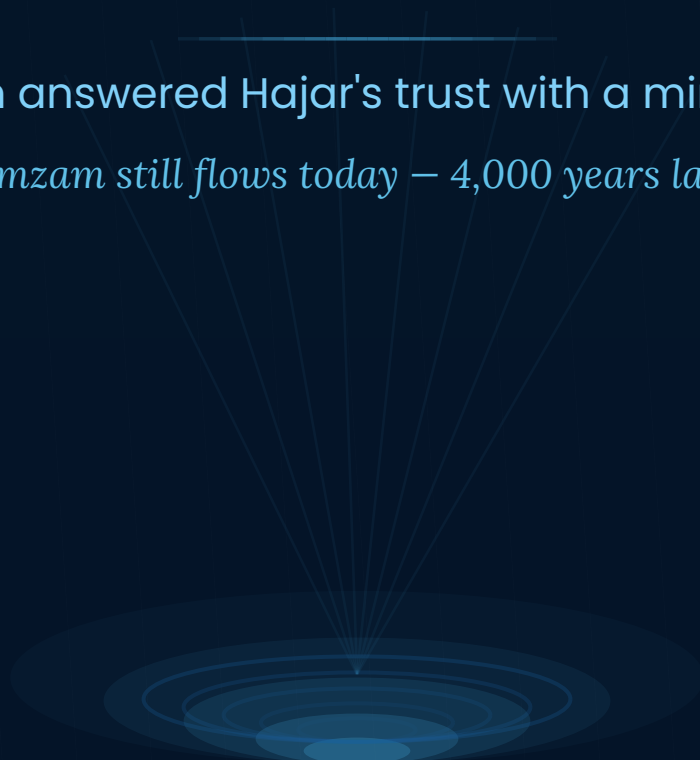

THE MIRACLE OF ZAMZAM

Zamzam!

Water burst from the ground!

Allah answered Hajar's trust with a miracle.

Zamzam still flows today – 4,000 years later.

Makkah

People came and settled around
the water...

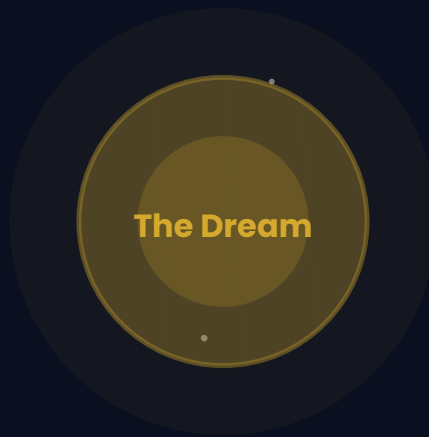

A city grew from the desert — Makkah.

Growing Up

Ismail grew up strong and gentle...

Raised in the desert, close to Allah.

Ibrahim told his son about the
dream...

"What do you think, my son?"

Obedience

"Do what you are commanded,
Father..."

"You will find me patient, insha'Allah."

Shaytan tried to stop them three
times...

But both Ibrahim and Ismail refused.

ALLAH'S GREATEST MERCY

The Ram

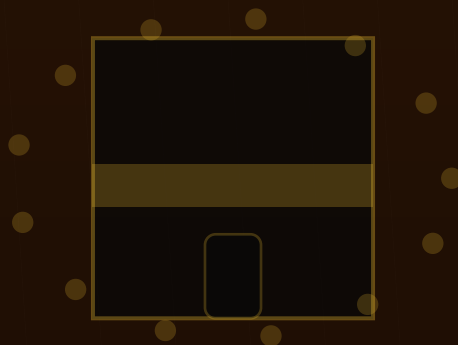

Allah sent a ram in Ismail's place!

Both had passed the greatest test of love.

The Kaaba

Father and son built the House of Allah...

The Holy Kaaba — the most sacred place on Earth.

Eid ul Adha

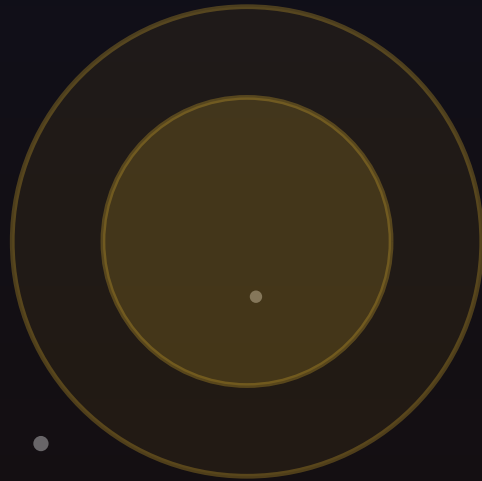

Every year Muslims celebrate Eid
ul Adha...

To remember Ismail's faith and obedience.

Lesson

When we trust Allah completely...

He will always provide a way.

The End

May Allah's blessings be upon Prophet Ismail (AS)
